

Profile of a successful business

It has to be innovative

The price should be fixed according to the quality of the product

Publicity must be attractive, so people will pay attention to the business.

It's essential to use new technologies like having an e-mail of the business or a web page.

It's praiseworthy that in a commercial there are employees from different nationalities and different ages.

Thank you for your attention.

Merci pour votre attention.

Grazie per la tua attenzione.

Dziękuję za uwagę.

Ačiū už jūsu dēmesj.
