The European Commission works with EU Member States to promote **key competences**, knowledge and perspectives facilitating lifelong learning.

The Spanish Education system

In the EU, the organization and management of the education and training systems is the Member States' responsibility

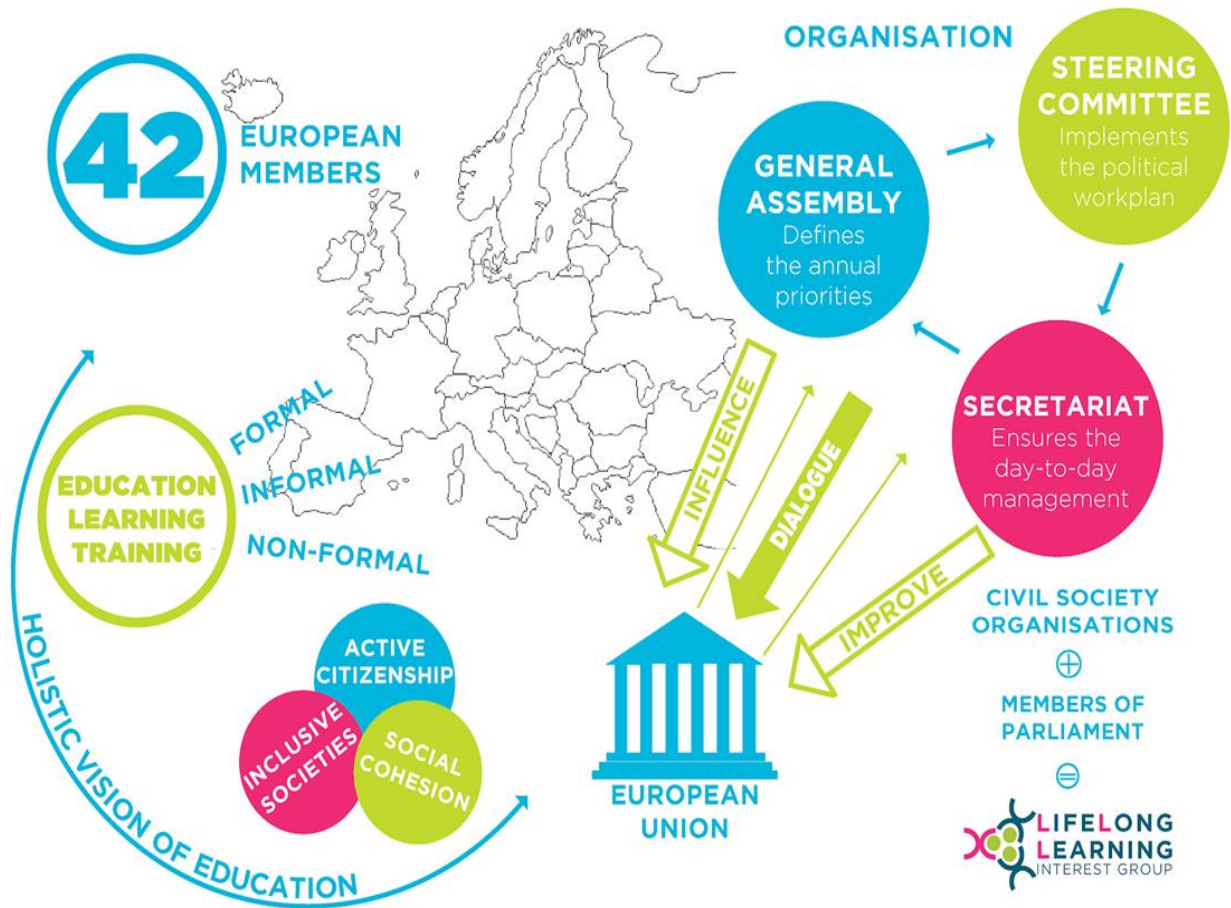

The European Commission has the role of supporting member states:

- By cooperating in policies through the **ET 2020 framework**
- Financing instruments such as the **Erasmus + program and the European Structural and Investment Funds**.
- **European education Area**. The Commission is developing initiatives to help establish a European Education Area enabling all young people to benefit from the best education and training, and to find employment across Europe.
- With the socioeconomic program, which includes the **Europe 2020 Strategy and the European Semester**, where the economic policies of the Member States are coordinated.

Building the future of education!

The Lifelong Learning Platform is an umbrella that gathers 42 European organisations active in the field of education, training and youth.

EPALE
